NOTES FROM LEADERSHIP -HR

 **Hello Chestnut Land Family!** To say you are all missed is an understatement. It was great to see the faces of those who sent pictures. As we continue to weather this storm together, know that your leadership team has been meeting weekly to discuss how we return to our new normal. We are following state guidelines from local and state governments. We know things change daily for all of us and we appreciate those who have emailed us updates when they get them.

As each state begins to reopen, center and mall management will send out reopen protocols. Please communicate that to us, but remember we will notify you on a reopen date! Your mall/center may be open and we may open later. Again, we will communicate that to you and in plenty of time to get your staff prepared and to make a schedule.

Auntie Anne's will have specific reopen protocols too. Leo has begun to send out items that are on PlayerLynk listing cleaning procedures and how we keep our stores clean as well as keeping our employees and guests healthy! Perception will be everything once your store begins to open! It will be imperative that you and your staff follow all guidelines that will be in place by your mall/center management as well as Chestnut Land. You can go on PlayerLynk now if you want to start watching videos and read updated operation procedures!

We hope everyone had a great Mother's Day with their families and hope our Chestnut Land family is doing well and is staying safe!

-Bekah Marsteller
